PROXY STATEMENT

This Proxy Statement and the accompanying Proxy Card are being furnished in connection with the solicitation by the Board of Directors of First United Corporation (the "Corporation") of proxies to be voted at the Annual Meeting of Shareholders to be held on May 16, 2019, at 10:00 a.m. at The Wisp Hotel – Crawford Room, 290 Marsh Hill Road, McHenry, Maryland 21541, and any adjournment or postponements thereof. The cost of soliciting proxies will be borne by the Corporation. In addition to solicitation by mail, proxies may be solicited by officers, Directors and regular employees of the Corporation personally or by telephone, electronic mail and/or facsimile. No additional remuneration will be paid to officers, Directors or regular employees who solicit proxies. The Corporation may reimburse brokers, banks, custodians, nominees and other fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to their principals. The approximate date on which this Proxy Statement and Proxy Card will be sent or given to shareholders is March 25, 2019.

As used in this Proxy Statement, the terms "the Corporation", "we", "us", and "our" refer to First United Corporation and, unless the context clearly requires otherwise, its consolidated subsidiaries.

OUTSTANDING SHARES; VOTING RIGHTS; QUORUM AND REQUIRED VOTE

Shareholders of record as of the close of business on February 28, 2019 (the "Record Date") of issued and outstanding shares of the Corporation's common stock, par value \$.01 per share ("Common Stock"), are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 7,088,987 shares of the Common Stock were issued and outstanding. Each share is entitled to one vote on each matter submitted to shareholders.

The presence, in person or by proxy, of shareholders entitled to cast a majority of all votes entitled to be cast at the Annual Meeting shall constitute a quorum. Withheld votes (in the case of the election of directors), abstentions and broker non-votes will all be counted for purposes of determining whether a quorum is present.

Directors are elected by the affirmative vote of a majority of all shares of Common Stock voted at the Annual Meeting. Accordingly, the withholding of a vote for a director nominee, as described in Proposal 1, will constitute a vote against that nominee, but a broker non-vote with respect to the election of directors will have no impact on the outcome of that vote. The adoption of the non-binding advisory resolution approving the compensation paid to the Corporation's named executive officers for 2018, as described in Proposal 2, and the ratification of the appointment of the Corporation's independent registered public accounting firm, as described in Proposal 3, each require the affirmative vote of a majority of all shares of Common Stock voted at the Annual Meeting. Accordingly, an abstention or a broker non-vote with respect to Proposal 2 or Proposal 3 will have no impact on the outcome of those proposals. Except in cases of certain extraordinary matters for which the Corporation's governing instruments or applicable law require a different proportion, the affirmative vote of a majority of all shares of Common Stock voted at the Annual Meeting is sufficient to approve any motion that comes before the meeting pursuant to Proposal 4, as described in this Proxy Statement. Abstentions and broker non-votes with respect to any motion that comes before the meeting pursuant to Proposal 4 (other than certain extraordinary matters as discussed above) will have no impact on the outcome of the vote on such motion.

All properly executed Proxy Cards received pursuant to this solicitation will be voted as directed by the shareholders in their Proxy Cards. If no direction is given in your Proxy Card, then, subject to the procedures governing broker non-votes (see "Methods of Voting" below), your shares will be voted FOR each of the nominees named in Proposal 1, FOR adoption of the non-binding advisory resolution approving the compensation paid to the Corporation's named executive officers for 2018 as described in Proposal 2, and FOR ratification of the appointment of the Corporation's independent registered public accounting firm named in Proposal 3. In the event a matter is properly presented pursuant to Proposal 4, then your shares will be voted in the discretion of the proxies.

Proxies may be revoked at any time before a vote is taken or the authority granted is otherwise exercised. Revocation may be accomplished by: (i) the execution of a later dated Proxy Card; (ii) the execution of a later casted Internet or telephone vote with regard to the same shares; (iii) giving written notice to Tonya K. Sturm, Secretary, First United Corporation, 19 S. Second Street, Oakland, Maryland 21550-0009; or (iv) giving written notice to the Secretary in person at

the 2019 Annual Meeting. Any shareholder who attends the 2019 Annual Meeting and revokes his/her proxy may vote in person. However, attendance by a shareholder at the 2019 Annual Meeting alone will not have the effect of revoking that shareholder's validly executed Proxy.

Methods of Voting

Shareholders may vote on matters that are properly presented at the 2019 Annual Meeting in four ways:

- By completing the accompanying Proxy Card and returning it to the Corporation at the address noted on the Proxy Card;
- By submitting your vote telephonically;
- By submitting your vote electronically via the Internet; or
- By attending the 2019 Annual Meeting and casting your vote in person.

The Corporation is offering registered shareholders the opportunity to vote their shares electronically through the Internet or by telephone, in addition to following the traditional method of completing a paper Proxy Card and returning it by mail. Shareholders may vote by telephone or via the Internet by following the procedures described on the Proxy Card. To vote via telephone or the Internet, please have the Proxy Card in hand, and call the number or go to the website listed on the Proxy Card and follow the instructions. The telephone and Internet voting procedures are designed to authenticate shareholders' identities, to allow shareholders to give their voting instructions, and to confirm that shareholders' instructions have been recorded properly. Shareholders voting through the Internet should understand that they may bear certain costs associated with Internet access, such as usage charges from their Internet service providers.

Please note that if you hold your shares in a stock brokerage account or if your shares are held by a bank or other nominee (that is, in street name), your broker, bank or other nominee will not vote your shares of Common Stock (a "broker non-vote") unless you provide voting instructions to your broker, bank or other nominee. You should instruct your broker, bank or other nominee to vote your shares by following the instructions provided by the broker, bank or nominee when it sends this proxy statement to you. You may not vote shares held in street name by returning a Proxy Card directly to the Corporation or by voting in person at the 2019 Annual Meeting unless you provide a "legal proxy", which you must obtain from your bank, broker or nominee.

No Dissenters' Rights of Appraisal

Shareholders do not have dissenters' rights of appraisal or similar rights with respect to any of the proposals to be presented at the 2019 Annual Meeting.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON MAY 16, 2019

This Proxy Statement, the accompanying Proxy Card, and the Corporation's Annual Report to Shareholders (including its Annual Report on Form 10-K for the year ended December 31, 2018) are available at <http://www.edocumentview.com/FUNC>. BENEFICIAL OWNERSHIP OF COMMON STOCK BY PRINCIPAL SHAREHOLDERS AND MANAGEMENT

The following table sets forth information as of the Record Date relating to the beneficial ownership of the Common Stock by (i) each person or group known by the Corporation to beneficially own more than five percent (5%) of the outstanding shares of Common Stock; (ii) each of the Corporation's Directors, Director nominees and named executive officers (as defined below under "REMUNERATION OF EXECUTIVE OFFICERS"); and (iii) all Directors, Director nominees and executive officers of the Corporation as a group. Generally, a person "beneficially owns" shares if he or she has, or shares with others, the right to vote those shares or to invest (or dispose of) those shares, or if he or she has the right to acquire such voting or investment rights, within 60 days of the Record Date (such as by exercising stock options or similar rights). The percentages shown for 2019 were calculated based on 7,088,987 issued and outstanding shares of Common Stock, plus, for each named person, any shares that such person may acquire within 60 days of the Record Date. Except as otherwise noted, the address of each person named below is the address of the Corporation. So that shareholders

can see how beneficial ownership has changed, the table also provides beneficial ownership as of February 28, 2018, which was the record date for the 2018 annual meeting of shareholders, and was taken from the proxy statement for that meeting.

CORPORATE GOVERNANCE MATTERS

Committees of the Board of Directors

The Board of Directors has an Audit Committee, an Asset and Liability Management Committee, an Executive Committee, a Strategic Planning Committee, a Compensation Committee, a Nominating and Governance Committee, and a Directors' Risk and Compliance Committee. These committees are discussed below.

Audit Committee – The Audit Committee is a separately-designated standing committee established pursuant to Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and consists of Brian R. Boal (Chairman), M. Kathryn Burkey, Robert W. Kurtz, John W. McCullough, Elaine L. McDonald, and Robert G. Stuck. The committee is responsible for the hiring, setting of compensation and oversight of the Corporation’s independent registered public accounting firm, and it also assists the Board in monitoring the integrity of the financial statements, in monitoring the performance of the Corporation’s internal audit function, and in monitoring the Corporation’s compliance with legal and regulatory requirements. In carrying out its duties, the committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of the Corporation’s internal controls, and the overall quality of the Corporation’s financial reporting. The Board has determined that all audit committee members are financially literate and that Mrs. Burkey and Messrs. Boal, Kurtz and McCullough each qualify as an “audit committee financial expert” as that term is defined by the Securities Exchange Commission (the “SEC”) in Item 407 of Regulation S-K. This committee met 10 times in 2018. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is available on the Corporation’s website at www.mybank.com.

Asset and Liability Management Committee – The Asset and Liability Management Committee consists of John F. Barr, Brian R. Boal, John W. McCullough, Carissa L. Rodeheaver, Gary R. Ruddell, I. Robert Rudy, Marisa A. Shockley, and Robert G. Stuck. The committee reviews and recommends changes to the Corporation’s Asset and Liability, Investment, Liquidity, and Capital Plans. This committee met four times in 2018.

Strategic Planning Committee – The Strategic Planning Committee consists of John F. Barr, Brian R. Boal, M. Kathryn Burkey, Robert W. Kurtz, John W. McCullough, Elaine L. McDonald, Carissa L. Rodeheaver, Gary R. Ruddell, I. Robert Rudy, Marisa A. Shockley, Robert G. Stuck and H. Andrew Walls, III. The committee focuses on long-term planning to insure that management’s decisions take into account the future operating environment, the development of corporate statements of policy, and review of management’s internal and external information through its Enterprise Risk Management framework. This committee met two times in 2018.

Compensation Committee – The Compensation Committee, which met seven times in 2018, consists of M. Kathryn Burkey (Chairman), Robert W. Kurtz, John W. McCullough, Elaine L. McDonald, Marisa A. Shockley, Robert G. Stuck and H. Andrew Walls, III. The committee is responsible for developing a compensation policy for the executive officers and for recommending to the Board a compensation policy for the Directors of the Corporation and its subsidiaries, overseeing the Corporation’s various compensation plans, and managing changes for executive compensation and recommending changes for Director compensation. The committee determines executive compensation pursuant to the principles discussed below under the heading “REMUNERATION OF EXECUTIVE OFFICERS”. The Board reviews and, where appropriate, approves or ratifies committee recommendations. The Compensation Committee has adopted a written charter, a copy of which is available on the Corporation’s website at www.mybank.com.

Nominating and Governance Committee – The Nominating Committee consists of John W. McCullough (Chairman), Elaine L. McDonald, Marisa A. Shockley, Robert G. Stuck and H. Andrew Walls, III. The committee is responsible for developing qualification criteria for Directors, reviewing Director candidates recommended by shareholders (see “Director Recommendations and Nominations” below), actively seeking, interviewing and screening individuals qualified to become Directors, recommending to the Board those candidates who should be nominated to serve as Directors, and developing and recommending to the Board the Corporate Governance Guidelines applicable to the Corporation and its subsidiaries. This Committee met two times in 2018. The Nominating Committee has a written charter, a copy of which is available on the Corporation’s website at www.mybank.com.

Directors' Risk and Compliance Committee. The Directors Risk and Compliance Committee consists of John F. Barr, Brian R. Boal, M. Kathryn Burkey, Robert W. Kurtz, John W. McCullough, Carissa L. Rodeheaver, Gary R. Ruddell, I. Robert Rudy, H. Andrew Walls, III and is responsible for reviewing the Bank's overall risk profile and the alignment of the Company's risk profile with the Company's strategic plan, goals and objectives. The Committee is also responsible for reviewing outstanding audit issues and compliance recommendations as identified by various internal or external parties, approving operational risk programs such as the Bank Protection Act Program, the Business Continuity Planning Program, Cybersecurity Program, the Information Security Program, Privacy Program, Identification Theft/Red Flag Program and Bank Secrecy Act Program. The Committee is responsible for the annual review of any significant vendor relationships, litigation or consumer complaints as well as the adequacy and effectiveness of the Compliance Program, and the Corporation's insurance programs and policies in place. The Committee monitors classified credits and management's plans for those credits. This Committee met six times during 2018.

Director Independence

Pursuant to Rule 5605(b)(1) of The NASDAQ Stock Market Rules (the "NASDAQ Rules"), a majority of the Corporation's Directors must be "independent directors" as that term is defined by NASDAQ Rule 5605(a)(2). The Corporation's Board of Directors has determined that each of John F. Barr, Brian R. Boal, M. Kathryn Burkey, Robert W. Kurtz, John W. McCullough, Elaine L. McDonald, I. Robert Rudy, Gary R. Ruddell, Marisa A. Shockley, Robert G. Stuck and H. Andrew Walls, III is an "independent director", and these independent Directors constitute a majority of the Corporation's Board of Directors. Each of the members of the Compensation Committee and of the Nominating Committee is an "independent director". Each member of the Audit Committee satisfies the independence requirements of NASDAQ Rule 5605(c)(2)(A). In making these independence determinations, the Board, in addition to the transactions described below under "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS", considered the fact that Mr. Kurtz previously served as an executive officer of the Corporation and the Bank.

Board Leadership and Role in Risk Oversight

The Corporation is a one-bank holding company and the parent of the Bank, a \$1.4 billion community bank serving four counties in Maryland and four counties in West Virginia. Since its inception in 1984, the Corporation has had four CEOs, and each of these CEOs also served as Chairman of the Board. The Corporation's predecessor, First United Bank of Oakland, also employed this form of governance for a number of years.

To strengthen the Board's oversight of corporate governance issues, the Board appoints a Lead Director who is responsible for facilitating the resolution of issues relating to the performance of the Chairman and CEO and other members of management, or any other issue that a Director, an officer or an employee believes should be addressed by someone other than the Chairman and CEO. Because the Nominating Committee is charged with overseeing corporate governance matters, the Board believes that it is most appropriate to appoint the Chairman of the Nominating Committee as the Lead Director. John McCullough is the current Chairman of the Nominating Committee and, thus, the Lead Director.

The Corporation has a well-developed and well-seasoned Board of Directors, comprised of the Chairman/CEO and 11 additional Directors, all of whom (other than Mrs. Rodeheaver) are "independent directors" as defined by the NASDAQ Rules.

The Board believes that the Corporation has been well-served by this form of leadership. By having one person serve as both Chairman and CEO, the Board believes that the Corporation demonstrates to shareholders, customers, employees, vendors, regulators, and other stakeholders that we are under strong leadership, with a single individual setting the tone and having primary responsibility for managing and leading the Corporation. The Board believes this structure reduces the potential for confusion or duplication of efforts and assures clarity of leadership.

The Board believes that such a structure is viable when reinforced with a strong, competent and independent Board of Directors and the leadership and oversight of a Lead Director, as is the case with the Corporation. As noted above, 11 of the 12 Directors are independent. The Board believes that this high percentage of independence, coupled with the fact that only one Director – Mrs. Rodeheaver (the President and CEO) – is employed by the Corporation, assures an objective and shareholder-based view of the Corporation's operations.

Of these independent directors, four members qualify as “audit committee financial experts” as defined by rules adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002. While the credentials of the entire Board are noted elsewhere, it is worth illustrating the credentials of these four members that make them eligible for this distinction:

1. Brian R. Boal – Mr. Boal has a vast amount of accounting and business experience through his education, his certification as a Certified Public Accountant, and his ownership and operation for the past 16 years of Boal and Associates, PC, *Certified Public Accountants*. Mr. Boal serves as a member of the American Institute of Certified Public Accountants and the Maryland Association of Certified Public Accountants. Mr. Boal serves as the chair of the Audit Committee.
2. M. Kathryn Burkey – Mrs. Burkey is a practicing Certified Public Accountant, with significant experience in audit. She has also served as chair of the board of Western Maryland Health System, and is the past president of the Maryland Association of Certified Public Accountants. Mrs. Burkey serves as a member of the American Institute of Certified Public Accountants and the Maryland Association of Certified Public Accountants. Mrs. Burkey serves as the Chairman of the Compensation Committee.
3. Robert W. Kurtz – Mr. Kurtz retired from the Corporation and the Bank in December 2009, after nearly four decades of service. For several years prior to his retirement, Mr. Kurtz served as President, Chief Financial Officer & Chief Risk Officer of the Corporation and the Bank.
4. John W. McCullough – Mr. McCullough is a retired partner of the accounting firm Ernst & Young, LLP. During a significant portion of his career, Mr. McCullough was heavily engaged in the audit of financial institutions. Mr. McCullough serves as the Lead Director of the Corporation and the Bank since 2014.

In an effort to hone their skills, and to assure their continued independence, members of the Board of Directors undertake regular training. A number of methods are employed to provide in-depth training. On frequent occasions, internal training is provided to familiarize the Board with regulatory requirements imposed on financial institutions by applicable laws such as the Bank Secrecy Act and the Community Reinvestment Act. Periodically, Directors attend seminars related to banking issues, which offer them the additional benefit of meeting with directors of other financial institutions. All Directors have direct access to the American Bankers Association which enables them to keep abreast of issues pertinent to the banking industry and to research banking materials. The FDIC also has available a specific board education program which is periodically used for director training.

The strength of the Board, and a valuable counter balance to management, is found in the risk management practices employed by the Board, directly and through its various specialized committees and the Lead Director. The Board, as part of its oversight and governance functions, regularly reviews risks and appropriate modeling of Asset Liability Management, loan concentrations, liquidity, management succession and capital planning. Consistent with this, the Corporation was one of the early institutions in its market area to name a Chief Risk Officer, having done so in 2006. Further, in 2009, the Board created a special committee focused on the Corporation’s risk elements. This committee is responsible for reviewing the Bank’s overall risk profile and the alignment of the Company’s risk profile with the Company’s strategic plan, goals and objectives. The Committee is also responsible for reviewing outstanding audit issues and compliance recommendations as identified by various internal or external parties, approving operational risk programs such as the Bank Protection Act Program, the Business Continuity Planning Program, Cybersecurity Program, the Information Security Program, Privacy Program, Identification Theft/Red Flag Program and Bank Secrecy Act Program. The Committee is responsible for the annual review of any significant vendor relationships, litigation or consumer complaints as well as the adequacy and effectiveness of the Compliance Program, and the Corporation’s insurance programs and policies in place. The Committee monitors classified credits and management’s plans for those credits.

To assist the Board with tracking and reviewing Board and Committee activities, all Directors have 24/7 access to all policies and reports, the minutes of every meeting of the Board and its committees over the last five years, and numerous other reports and models prepared by or for the Corporation.

To maintain a level of independence from management, the Board conducts regular executive sessions. These sessions are led by the independent Chair of the Corporation’s Nominating Committee, John McCullough, who also serves as the Lead Director.

The governance of the Corporation through a combination of the Chairman and CEO is appropriate also in light of the strength and experience of the Chairman/CEO. Since its beginning, the Corporation has had very experienced individuals in this combined role. Courtney R. Tusing, the first to have the role, came to the Corporation with over 20 years of banking experience, the majority of which were with the Corporation. During his tenure, he also served as President of the Maryland Bankers Association. Richard G. Stanton held the position from 1987 to 1996. He had nearly three decades of experience prior to the position, and had served as Director for a number of years. During his tenure, he served on the Government Relations Committee of the American Bankers Association, which enabled him to help formulate banking policy. William B. Grant held the position from 1996 through December 31, 2015. Mr. Grant had over 35 years of banking experience and was past Chairman of the Maryland Bankers Association and was on the Board of Directors of the Baltimore Branch of the Federal Reserve Bank of Richmond as well as the America's Community Bankers Council of the American Bankers Association. Effective January 1, 2016, upon Mr. Grant's retirement, Carissa L. Rodeheaver became the Chairman and CEO. Mrs. Rodeheaver has 27 years of banking experience, is a Certified Public Accountant and will assume the role of Chairman of the Maryland Bankers Association in June 2018. She currently serves as the Vice-Chairman of the American Bankers Association BankPac Committee and has served as Chairman of the Maryland Bankers Association Government Relations Council.

In conclusion, the Board believes that a single experienced leader, serving as Chairman and CEO, together with an overwhelmingly independent Board and a Lead Director, is the most appropriate leadership structure for the Corporation. The Board may, from time to time, review this structure under the guidance of the Nominating Committee, reporting up to the Board of Directors.

Attendance at Board Meetings

The Board of Directors held 13 meetings in 2018. Each Director who served as such during 2018 attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors (held during the period served) and (ii) the total number of meetings held by all committees of the Board on which that person served (held during the period served).

Director Recommendations and Nominations

The Nominating Committee will from time to time review and consider candidates recommended by shareholders. Shareholder recommendations should be labeled "Recommendation of Director Candidate" and be submitted in writing to: Tonya K. Sturm, Secretary First United Corporation, 19 S. Second Street, Oakland, Maryland 21550; and must specify (i) the recommending shareholder's contact information, (ii) the class and number of shares of the Corporation's capital stock beneficially owned by the recommending shareholder, (iii) the name, address and credentials of the candidate for nomination, (v) the number of shares of the Corporation's capital stock beneficially owned by the candidate; and (iv) the candidate's written consent to be considered as a candidate. Such recommendation must be received by the Corporate Secretary no less than 150 days nor more than 180 days before the date of the Annual Meeting of Shareholders for which the candidate is being recommended. For purposes of this requirement, the date of the meeting shall be deemed to be on the same day and month as the Annual Meeting of Shareholders for the preceding year.

Candidates may come to the attention of the Nominating Committee from current Directors, executive officers, shareholders, or other persons. The Nominating Committee does not have a formal policy under which it considers the diversity of candidates for directorship when making nomination recommendations. The Nominating Committee periodically reviews its list of candidates available to fill Board vacancies and researches the talent, skills, expertise, and general background of these candidates. In evaluating candidates for nomination, the Nominating Committee uses a variety of methods and regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, the need for particular expertise on the Board, and whether the Corporation's market areas are adequately represented by Board members. In nominating director candidates, the Nominating Committee generally seeks to choose individuals that have skills, education, experience and other attributes that will complement and/or broaden the strengths of the existing directors.

In 2014, the Corporation created an Advisory Council consisting of five separate Advisory Groups, which represent each of our market areas. The Advisory Groups consist of business owners and key individuals within each local market area. The purpose of these Advisory Groups is to foster open discussions that will enable us to enhance our understanding of the difference in each of these markets and the financial needs of the customer base. The meetings are led by local Market Presidents and are also attended by members of the management team and Directors. These meetings include topics of

discussion such as local market analysis, changes in the market, new products and services, customer engagement, customer experiences, and human talent. These meetings also provide a sounding board for our marketing and advertising plans and provide great opportunities to network with local businesses. From time to time, promising Director candidates come to the attention of the Nominating Committee through their service on these Advisory Groups, although such service is not a requirement of being considered for nomination.

Whether recommended by a shareholder or another third party, or recommended independently by the Nominating Committee, a candidate will be selected for nomination based on his or her talents and the needs of the Board. The Nominating Committee's goal in selecting nominees is to identify persons that possess complementary skills and that can work well together with existing Board members at the highest level of integrity and effectiveness. A candidate, whether recommended by a Corporation shareholder or otherwise, will not be considered for nomination unless he or she maintains strong professional and personal ethics and values, has relevant management experience, and is committed to enhancing financial performance. The Corporation looks for diverse candidates that possess competencies that will support our long term strategies. These competencies could include expertise in the banking industry, finance, risk management, real estate, marketing, regional geographic markets and economics, strategic planning, executive management, technology or other relevant qualifications. Certain Board positions, such as Audit Committee membership, may require other special skills, expertise or independence from the Corporation.

It should be noted that a shareholder recommendation is not a nomination, and there is no guarantee that a candidate recommended by a shareholder will be approved by the Nominating Committee or nominated by the Board of Directors. A shareholder who is entitled to vote for the election of Directors and who desires to nominate a candidate for election to be voted on at a Meeting of Shareholders may do so only in accordance with Section 4 of Article II of the Corporation's Amended and Restated Bylaws, which provides that a shareholder may nominate a Director candidate by written notice to the Chairman of the Board or the President not less than 150 days nor more than 180 days prior to the date of the meeting of shareholders called for the election of Directors which, for purposes of this requirement, shall be deemed to be on the same day and month as the Annual Meeting of Shareholders for the preceding year. Such notice shall contain the following information to the extent known by the notifying shareholder: (i) the name and address of each proposed nominee; (ii) the principal occupation of each proposed nominee; (iii) the number of shares of capital stock of the Corporation owned by each proposed nominee; (iv) the name and residence address of the notifying shareholder; (v) the number of shares of capital stock of the Corporation owned by the notifying shareholder; (vi) the consent in writing of the proposed nominee as to the proposed nominee's name being placed in nomination for Director; and (vii) all information relating to such proposed nominee that would be required to be disclosed by Regulation 14A under the Exchange Act and Rule 14a-11 promulgated thereunder, assuming such provisions would be applicable to the solicitation of proxies for such proposed nominee. To be considered timely for the 2020 annual meeting of shareholders, a stockholder nomination, and all supporting information, must be submitted no earlier than November 18, 2019 and no later than December 18, 2019.

Shareholder Communications with the Board of Directors

Shareholders may communicate with the Board of Directors, including the non-employee Directors, by sending a letter to First United Corporation Board of Directors, c/o Tonya K. Sturm, Secretary, First United Corporation, 19 S. Second Street, Oakland, Maryland, 21550. The Secretary will deliver all shareholder communications directly to the Board of Directors for consideration.

The Corporation believes that the Annual Meeting of Shareholders is an opportunity for shareholders to communicate directly with Directors and, accordingly, expects that all Directors will attend each Annual Meeting of Shareholders. If you would like an opportunity to discuss issues directly with our Directors, please consider attending this year's Annual Meeting of Shareholders. The 2018 Annual Meeting of Shareholders was attended by 11 persons who served on the Board of Directors as of the date of that meeting.

Family Relationships Among Directors, Nominees and Executive Officers

Director Brian R. Boal is the nephew of Director Robert W. Kurtz.

The Compensation Committee of the Board of Directors is responsible for evaluating and recommending director compensation to the Board for approval. In evaluating director compensation, the Compensation Committee considers the legal responsibilities that directors owe to the Corporation and its shareholders in connection with their service on the Board and/or a committee of the Board, and the risks to the directors associated with their service, and reviews the fees and benefits paid to directors of similar institutions in and around the Corporation's market areas. The Compensation Committee's current director compensation arrangement contemplates a mix of cash and equity awards, as discussed below.

For 2018, each director who was not an employee of the Corporation or the Bank (a "Non-Employee Director") received a cash retainer of \$10,000, a grant of 1,000 fully-vested shares of Common Stock, having a grant date fair value of \$20,630, and a cash fee of \$1,000 for each meeting of the Corporation's and/or Bank's Board of Directors that he or she attended. The cash fee is reduced to \$200 when special meetings are called and the meeting lasts less than two hours or is related to regulatory matters. Directors do not receive more than one cash fee when the boards of the Corporation and the Bank meet together. Directors who served on committees of the Corporation also received a cash fee of \$500 for each committee meeting that they attended. The Chairperson of each of the Audit Committee (Mr. Boal), Compensation Committee (Mrs. Burkey) and Nominating & Governance Committee (Mr. McCullough) received an additional annual cash retainer of \$2,500. All directors of the Corporation also served on the board of directors of the Bank and received cash in the amount of \$500 for attending each meeting of a committee of the Bank board on which they served.

Non-Employee Directors may elect to receive some or all of their cash retainers in shares of Common Stock. The number of shares paid in lieu of cash retainers is determined by dividing the portion of the cash retainer to be paid in stock by the mean between the high and low sales price of a share of Common Stock on the trading day immediately preceding the payment date, as reported on The NASDAQ Stock Market. In 2018, each of Messrs. Barr, McCullough and Walls and Mrs. Shockley elected to receive 484 shares of Common Stock, having an aggregate grant date fair value of \$9,984.92, in lieu of that amount of their annual cash retainer.

All directors are permitted to participate in the Corporation's Amended and Restated Executive and Director Deferred Compensation Plan (the "Deferred Compensation Plan"). The material terms of the Deferred Compensation Plan are discussed below under the heading, "Remuneration of Executive Officers".

AUDIT COMMITTEE REPORT

The Audit Committee has (i) reviewed and discussed the Corporation's audited consolidated financial statements for the year ended December 31, 2018 with the Corporation's management; (ii) discussed with Baker Tilly Virchow Krause, LLP ("Baker Tilly"), the Corporation's independent auditors, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU § 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and (iii) received the written disclosures and the letter from Baker Tilly required by applicable requirements of the Public Company Accounting Oversight Board regarding Baker Tilly's communications with the Audit Committee concerning its independence, and discussed with Baker Tilly its independence. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the year ended December 31, 2018 be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2018.

Remuneration of Executive Officers

All of the Corporation's executive officers are also executive officers of the Bank. Both the Corporation and the Bank maintain various compensation plans and arrangements for their respective executive officers, but, where appropriate, most of these plans and arrangements are structured to apply to executive officers of the consolidated group.

The following table sets forth, for each of the last two calendar years (which were also the Corporation's last two fiscal years), the total remuneration awarded to, earned by, or paid to (i) each person who served as the Corporation's principal executive officer at any time during 2018, (ii) the Corporation's two most highly compensated executive officers other than the principal executive officer who were serving as such as of December 31, 2018 and whose total compensation (excluding above-market and preferential earnings on nonqualified deferred compensation) exceeded \$100,000 during 2018, and (iii) up to two additional individuals for whom disclosure would have been provided pursuant to the foregoing item (ii) had they been serving as executive officers of the Corporation as of December 31, 2018 (all such persons are referred to as the "named executive officers"). For this purpose, the term "executive officer" includes any executive officers of the Bank who performs a policy making function for the Corporation. The Corporation has determined that the named executive officers for purposes of this Proxy Statement include Carissa L. Rodeheaver, Robert L. Fisher, II and Jason B. Rush. In calendar years 2018 and 2017, executive compensation included annual base salary, a discretionary cash bonus, and income related to certain employee benefit plans, and the table that follows reflects compensation paid by both the Corporation and the Bank.

Overview of Compensation Philosophy and Objectives

The Compensation Committee of the Corporation’s Board of Directors is responsible for overseeing and administering the Corporation’s employee benefit plans and policies, and for annually reviewing and approving all compensation decisions relating to the executive officers, including the named executive officers. The Compensation Committee of the Bank’s Board of Directors has identical responsibilities with respect to executive officers of the Bank. Both Compensation Committees are made of the same directors. The Compensation Committee submits its decisions regarding compensation to the independent Directors of the Board. The Compensation Committee has the authority and resources to obtain, independent of management, advice and assistance from internal and external legal, human resource, accounting or other experts, advisors, or consultants as it deems desirable or appropriate.

The Compensation Committee is composed of at least three Directors who are determined to be “independent directors” as that term is defined by NASDAQ Rule 5605(a)(2). The members of the Compensation Committee are appointed each year by the Board of Directors, after considering the recommendations and views of the CEO. Seven members of the Corporation’s Board of Directors serve on the Compensation Committee, each of whom is an “independent director”. The Chair of the Compensation Committee reports to the Corporation’s Board regarding all committee actions.

The Compensation Committee recognizes the importance of balancing the need to attract and retain qualified executive officers with the need to maintain sound principles for the development and administration of compensation and benefit programs. The Compensation Committee has taken steps to enhance the Compensation Committee’s ability to effectively carry out its responsibilities as well as ensure that the Corporation maintains strong links between executive pay and performance. Examples of procedures and actions that the Compensation Committee utilized in 2018 include:

- Incorporating executive sessions (without management present) into all Compensation Committee meetings;
- Using an independent compensation consultant to advise on executive compensation issues;

- Reviewing elements and amounts of executive compensation paid by competitors, including peer group performance and the impact of such performance on executive compensation;
- When it deems appropriate, realigning the Corporation's compensation structure in light of its peer group reviews;
- Reviewing and approving annual performance reviews for all executive officers; and
- Conducting annual reviews of all compensation and incentive plans for appropriate corporate strategic alignment and avoidance of excessive or unnecessary risk-taking by executive officers.

The Compensation Committee believes that the compensation paid to executive officers should be closely tied to the Corporation's performance on both a short-term basis and a long-term basis. Overall, the Compensation Committee believes that a performance-based compensation program can assist the Corporation in attracting, motivating and retaining the quality executives critical to long-term success. Accordingly, when and to the extent permitted by law, the Compensation Committee generally seeks to structure executive compensation programs so that they are focused on enhancing overall financial performance.

In setting the CEO's compensation, the Compensation Committee meets with the CEO to discuss her performance and compensation package. Decisions regarding her package are based upon the Compensation Committee's independent deliberations and input from the Committee's compensation consultant, if one is engaged for that purpose. In setting compensation for other executive officers, the Compensation Committee considers the CEO's recommendations, as well as any requested input and data from the Chief Financial Officer, Human Resources Department and outside consultants and advisors. The Compensation Committee occasionally requests one or more members of senior management to be present at Compensation Committee meetings where executive compensation and corporate or individual performance are discussed and evaluated. Only Compensation Committee members are allowed to vote on decisions regarding executive compensation, and only during its executive sessions.

In addition to reviewing competitive market values, the Compensation Committee also examines the total compensation mix, pay-for-performance relationship, and how all elements, in the aggregate, comprise each executive's total compensation package. The Compensation Committee also examines all incentive compensation plans at least annually to ensure that such plans do not encourage employees to take unnecessary or excessive risks that threaten the Corporation's value. All incentive plans contain "claw-back" provisions that require, in the event the Corporation is required to prepare an accounting restatement due to its material noncompliance with any financial reporting requirement under applicable securities laws or applicable accounting principles, each participant who received an award to return it to the extent the accounting restatement shows that a smaller award should have been paid. Further, all incentive plans contain ethics provisions that require a participant to repay an award in the event that the Corporation determines that the award was paid in a plan year in which the participant willfully engaged in any activity that was or is injurious to the Corporation and its affiliates. In general, the Board of Directors and/or its Compensation Committee may terminate, suspend or amend an incentive plan at any time.

For 2018, executive compensation consisted primarily of base salary, which is targeted to recognize each executive officer's performance and contributions to success considering salary standards in the marketplace. The Compensation Committee approved a one-time incentive award of \$5,000 for 2018 to each executive officer. No incentive awards were granted for 2017.

Employment Arrangements

All of the named executive officers are employed on an at-will basis and are not parties to any written employment agreement with the Corporation or the Bank.

In addition to base salaries paid in 2018, the named executive officers' employment arrangements make them eligible to receive benefits under and/or participate in the 401(k) Profit Sharing Plan, the Pension Plan, the Split Dollar Life Insurance arrangements, the Deferred Compensation Plan, and, except for Mr. Fisher, the Defined Benefit Supplemental Executive Retirement Plan, described below. Mr. Fisher participates in the Defined Contribution SERP,

described below. The material terms of these plans and arrangements and the compensation and benefits available thereunder are discussed below. In addition, all executive officers are entitled to employee benefits that the Corporation makes available to all eligible employees generally, including health, dental and vision insurance, long-term disability insurance, and group term life insurance. Mrs. Rodeheaver and Mr. Fisher are also provided with the use of employer-owned automobiles.

In 2007, the Corporation adopted a plan that provides for cash payments and employee benefits continuation to executive officers if they experience a separation from service in connection with a change in control of the Corporation, known as the Change in Control Severance Plan (the “Severance Plan”), and it has entered into change in control severance agreements under the Severance Plan (a “Severance Agreement”) with certain executive officers, including Mrs. Rodeheaver and Messrs. Fisher and Rush.

The Compensation Committee has set the following base salaries for 2019, which are subject to review and adjustment by the Compensation Committee: Mrs. Rodeheaver, \$383,160; Mr. Fisher, \$264,903 and Mr. Rush, \$198,275.

401(k) Profit Sharing Plan

In furtherance of the Corporation’s belief that every employee should have the ability to accrue retirement benefits, the Corporation adopted the 401(k) Profit Sharing Plan, which is available to all employees, including executive officers. Employees are automatically entered in the plan on the first of the month following completion of 30 days of service to the Corporation and its subsidiaries. Employees have the opportunity to opt out of participation or change their deferral amounts under the plan at any time. In addition to contributions by participants, the plan contemplates employer matching and the potential of discretionary contributions to the accounts of participants. The Corporation believes that matching contributions encourage employees to participate and thereby plan for their post-retirement financial future. Beginning with the 2008 plan year, the Corporation enhanced the match formula to 100% on the first 1% of salary reduction and 50% on the next 5% of salary reduction. This match is accrued for all Participants, including executive officers, immediately upon entering the plan on the first day of the month following the completion of 30 days of employment. Additionally, the Corporation accrued a non-elective employer contribution during 2018 for all employees (other than employees who participate in the Defined Benefit SERP or the Defined Contribution SERP Plans and those employees meeting the age plus service requirement in the Pension Plan), equal to 4% of each employee’s salary hired after January 1, 2010 and 4.5% of each employee’s salary hired before January 1, 2010, which will be paid into the plan in the first quarter of 2019.

Pension Plan

Prior to 2010, all employees were eligible to participate in the Pension Plan, which is a qualified defined benefit plan, upon completion of one year of service and the attainment of the age of 21. Retirement benefits are determined using an actuarial formula that takes into account years of service and average compensation. Normal retirement age for the defined benefit pension plan is 65 years of age with the availability of early retirement at age 55. Pension benefits are fully vested after five years of service. A year of service is defined as working at least 1,000 hours in a plan year. Effective April 30, 2010, the plan was amended, resulting in a “soft freeze”, the effect of which prohibits new entrants into the plan and ceases crediting of additional years of service after that date. Effective January 1, 2013, the plan was amended to unfreeze the plan for those employees for whom the sum of (i) their ages, at their closest birthday, plus (ii) years of service for vesting purposes equal 80 or greater. The “soft freeze” continues to apply to all other plan participants.

Defined Benefit Supplemental Executive Retirement Plan

The Bank adopted and First United Bank & Trust Defined Benefit Supplemental Executive Retirement Plan (the “Defined Benefit SERP”) so that executives could reach a targeted retirement income. The SERP is available only to a select group of management or highly compensated employees, including Mrs. Rodeheaver and Mr. Rush. Mr. Fisher does not participate in the Defined Benefit SERP. The Defined Benefit SERP was created to overcome qualified plan regulatory limits or the “reverse discrimination” imposed on highly compensated executives due to IRS contribution and compensation limits. In connection with the adoption of the Severance Plan, the Compensation Committee decided to credit participants with 24 years of service, regardless of actual years of service, to minimize certain income taxes that could be imposed under Section 280G of the Internal Revenue Code upon a separation from service. In the event a participant voluntarily terminates employment without good reason, his or her credited years of service will revert to

actual years of service as of the date of termination. Future participants in the plan, if any, will be credited with actual years of service.

The Defined Benefit SERP benefit is equal to 2.5% of the executive's Final Pay for each year of service through age 60 (up to a maximum of 24 years) plus 1% of Final Pay for each year of service after age 60 (up to a maximum of 5 years), for a total benefit equal to 65% of Final Pay. The Compensation Committee chose this plan design to provide competitive retirement benefits and to encourage service. The Defined Benefit SERP was designed primarily to supplement benefits payable under the Pension Plan and, as such, it would be appropriate to measure Defined Benefit SERP benefits using an actuarial formula (*i.e.*, years of service and final pay) similar to that used under the Pension Plan. Accordingly, the Defined Benefit SERP benefits are offset by any accrued benefits payable under the Pension Plan and 50% of the social security benefits received by the participant. For purposes of the Defined Benefit SERP, "Final Pay" means an amount equal to the participant's annual base salary rate in effect immediately prior to his or her Separation from Service.

The normal retirement Defined Benefit SERP benefit is paid following Normal Retirement, which is defined as a Separation from Service (as defined in the Defined Benefit SERP) after attaining age 60 and providing at least 10 years of service. Each participant is entitled to elect, upon initial participation, whether to receive the benefit in a single lump sum or in the form of a single life annuity, a level payment single life annuity, a level payment single life annuity with 120 months of guaranteed payments, a 50% joint and survivor level payment annuity, a 75% joint and survivor level payment annuity, or a 100% joint and survivor level payment annuity. Annuity payments will be made on a monthly basis and are subject to actuarial adjustments. Payments under a life annuity will be determined based on the expected remaining number of years of life for the annuitant and actuarial tables as of the time the annuity begins. Payments under any form of annuity other than a single life annuity will be determined using the same actuarial equivalent assumptions used for the Pension Plan. If a participant fails to make an election, he or she will receive the benefit as a level payment single life annuity.

Participant vests in his or her accrued normal retirement Defined Benefit SERP benefit upon 10 years of service, upon Normal Retirement, upon a Separation from Service due to Disability (as defined in the Defined Benefit SERP), and upon the participant's death. Upon a Separation from Service following a Change in Control (as defined in the Defined Benefit SERP) and a subsequent Triggering Event (as defined in the Defined Benefit SERP), a participant will vest in the greater of (i) 60% of Final Pay or (ii) his or her accrued normal retirement Defined Benefit SERP benefit through the date of the Separation from Service.

Generally, the distribution of a participant's Defined Benefit SERP benefit will begin following the participant's Normal Retirement. If the participant suffers a Separation from Service due to death or following a Disability, then the participant or his or her designated beneficiaries will receive a lump sum payment equal to the actuarial equivalent of his or her accrued Defined Benefit SERP benefit. If the participant suffers a Separation from Service other than due to "Cause" (as defined in the Defined Benefit SERP) after 10 years of service but prior to Normal Retirement, then he or she will receive the normal retirement Defined Benefit SERP benefit that has accrued through the date of the Separation from Service at age 60, in the form elected. If the participant suffers a Separation from Service following a Change in Control and subsequent Triggering Event, then the distribution of his or her normal retirement Defined Benefit SERP benefit that has accrued through the date of the Separation from Service will begin, in the form elected, once the participant reaches age 60. If the participant dies following the commencement of distributions but prior to the complete distribution of his or her vested and accrued SERP benefit, then distributions will be paid to his or her beneficiaries only if he or she chose a joint and survivor annuity form of distribution or a 10-year guaranteed payment lifetime annuity (and then only until the guaranteed payments have been made).

A participant will lose all Defined Benefit SERP benefits if he or she is terminated for Cause (as defined in the Defined Benefit SERP). In addition, each participant has agreed that the receipt of any Defined Benefit SERP benefits is conditioned upon his or her (i) refraining from competing with the Corporation and its subsidiaries in their market areas for a period of three years following his or her Separation from Service, (ii) refraining from disclosing the Corporation's confidential information following a Separation from Service, and (iii) remaining available to provide up to six hours of consultative services per month for twelve months after his or her Separation from Service. Items (i) and (iii) do not apply, however, if the Separation from Service results from a Change in Control and subsequent Triggering Event. If a participant breaches any of these conditions, then he or she is obligated to return all SERP benefits paid to date plus interest on such benefits at the rate of 10% per year.

The amounts that could be paid to Mrs. Rodeheaver and Mr. Rush under the Defined Benefit SERP upon a separation from service is shown below in the table contained in the section entitled “Benefits Upon a Separation from Service”.

Split Dollar Life Insurance Arrangements

The Bank purchased policies of bank owned life insurance (“BOLI”) in the aggregate amounts of \$18 million in 2001, \$2.3 million in 2004, \$2.8 million in 2006, \$10 million in 2009 and \$5.5 million in 2015 to help offset the costs of providing benefits under all benefit plans and arrangements. The Bank is the sole owner of these BOLI policies, has all rights with respect to the cash surrender values of these BOLI policies, and is the sole death beneficiary under these BOLI policies.

Because the Compensation Committee believes that it is important to reward officers for their loyalty and service, the Corporation has agreed, pursuant to Endorsement Split Dollar Agreements, to assign a portion of the cash benefits payable under these BOLI policies to the executive officers’ named beneficiaries in the event they die while employed. Participation under the Split-Dollar Life Insurance arrangements can be terminated for any reason, at any time, by either the Bank or the covered officer. The Bank terminates each covered officer’s participation when his or her employment is terminated. The current death benefits payable to the beneficiaries of the named executive officers under these arrangements are shown below in the table contained in the section entitled “Benefits Upon a Separation from Service”.

Deferred Compensation Plan and Defined Contribution SERP

The Corporation’s directors and those executives selected by the Compensation Committee are permitted to participate in the Deferred Compensation Plan. Each of the named executive officers is entitled to participate. The Deferred Compensation Plan permits directors and executives to elect, each year, to defer receipt of up to 100% of their directors’ fees, salaries and bonuses, as applicable, to be earned in the following year. The deferred amounts are credited to an account maintained on behalf of the participant (a “Deferral Account”) and are deemed to be invested in certain investment options established from time to time by the Investment Committee of the Bank’s Trust Department. Additionally, the Corporation may make discretionary contributions for the benefit of a participant to an Employer Contribution Credit Account (the “Employer Account”), which will be deemed to be invested in the same manner as funds credited to the Deferral Account. Each Deferral Account and Employer Account is credited with the gain or loss generated on the investments in which the funds in those accounts are deemed to be invested, less any applicable expenses and taxes.

A participant is always 100% vested in his or her Deferral Account. The Corporation is permitted to set a vesting date or event for the Employer Account, and such date may be based on the performance by the participant of a specified number of completed years of service with the Corporation, may be based on the participant’s performance of specified service goals with respect to the Corporation, may be limited to only certain termination of employment events (e.g., involuntary termination, those following a change of control, etc.), or may be based on any other standard, at the Corporation’s sole and absolute discretion. Notwithstanding the foregoing, a participant will become 100% vested in his or her Employer Account if he or she terminates employment (or, in the case of a participant who is a non-employee director, terminates membership on the Board of Directors) because of death or Total and Permanent Disability (as defined in the Deferred Compensation Plan). Each participant will also become 100% vested in his or her Employer Account in the event of a Change in Control (as defined in the Plan).

Generally, a participant is entitled to choose, pursuant to an election form, the date on which his or her account balances are to be distributed, subject to any restrictions imposed by the Corporation and the trustee under the Rabbi Trust in their sole and absolute discretion and applicable law. If a participant fails to select a distribution date, then distributions will begin on or about the date of the participant’s termination of employment or director status with the Corporation. The participant may choose whether his or her account balances are to be distributed in one lump sum or in equal annual installments selected by the participant between 2 and 10 installments. If a participant fails to elect a payment date or the method of payment, then the account balances will be distributed in one lump sum following termination of employment. If distributions are made in installments, then the undistributed balance will continue to be deemed invested in the chosen investment options, and the accounts will be credited or debited accordingly, until all amounts are distributed.

If a participant dies or experiences a Total and Permanent Disability before terminating his or her employment or director status with the Corporation and before the commencement of payments, then the entire balance of the participant’s accounts will be paid to the participant or to his or her named beneficiaries, as applicable, as soon as

practicable following death or Total and Permanent Disability. If a participant dies after the commencement of payments but before he or she has received all payments to which he or she is entitled, then the remaining payments will be paid to his or her designated beneficiaries in the manner in which such benefits were payable to the participant. Upon a Change in Control, the entire balance of a participant's accounts will be paid in a single lump sum payment.

The Deferred Compensation Plan provides for limited distributions in the event of certain financial hardships.

On January 9, 2015, the Corporation entered into a participation agreement under the Deferred Compensation Plan, styled as the First United Corporation Defined Contribution SERP Agreement (the "Contribution SERP"), with Mr. Fisher pursuant to which the Corporation agreed, for each Plan Year (as defined in the Deferred Compensation Plan) in which it determines that it has been Profitable (as defined in the Contribution SERP), to make a discretionary contribution to the Employer Account of Mr. Fisher in an amount equal to 15% of his base salary for such Plan Year, with the first Plan Year being the year ending December 31, 2015. Mr. Fisher received Employer Contribution Credits of \$38,017 for the 2017 Plan Year. For the 2018 Plan Year, Mr. Fisher received Employer Contribution Credits of \$39,157. The Contribution SERP provides that Mr. Fisher will become 100% vested in the amount maintained in his Employer Account upon the earliest to occur of the following events: (i) his Normal Retirement (as defined in the Contribution SERP); (ii) his Separation from Service (as defined in the Contribution SERP) following a Change of Control (as defined in the Deferred Compensation Plan) and subsequent Triggering Event (as defined in the Contribution SERP); (iii) his Separation from Service due to a Disability (as defined in the Contribution SERP); (iv) with respect to a particular award of Employer Contribution Credits, his completion of two consecutive Years of Service (as defined in the Contribution SERP) immediately following the Plan Year for which such award was made; or (v) his death. Notwithstanding the foregoing, however, Mr. Fisher will lose his entitlement to the amount credited to his Employer Account if he is terminated for Cause (as defined in the Contribution SERP). In addition, the Contribution SERP conditions his entitlement to the amounts credited to his Employer Account on his (a) refraining from engaging in Competitive Employment (as defined in the Contribution SERP) for three years following his Separation from Service, (b) refraining from injurious disclosure of confidential information concerning the Corporation, and (c) remaining available, at the Corporation's reasonable request, to provide at least six hours of transition services per month for 12 months following his Separation from Service (except in the case of death or Disability), except that only item (b) will apply in the event of a Separation from Service following a Change of Control and subsequent Triggering Event. In the event that Mr. Fisher violates any of those conditions, then he will forfeit all then-unpaid amounts in his Employer Account and be obligated to reimburse the Corporation for all amounts theretofore paid to him, plus interest thereon at the rate of 10% per year.

Benefits upon a Separation from Service

As noted above, the Corporation has entered into Severance Agreements with Mrs. Rodeheaver, Mr. Fisher and Mr. Rush; however, the Corporation has not made any payments under the Severance Agreements to date.

The Corporation's obligations under the Severance Agreements would be triggered if the participating executive officer's employment were to be terminated by the Corporation without Cause (as defined in the Severance Agreement) or by the executive for Good Reason (as defined in the Severance Agreement) during the period commencing on the date that is 90 days before a Change in Control (as defined in the Severance Plan) and ending on the first anniversary of a Change in Control (the "Protection Period"). In such case, the executive officer would be entitled to receive a lump sum cash payment equal to two times his or her Final Pay (as defined in the Severance Agreement), the immediate vesting of all equity-based compensation awards that have been granted to the executive, continued coverage for 24 months under the Corporation's group health and dental plan (or, if the executive is not eligible for such coverage, a monthly cash payment equal to the monthly premium for a similar policy), and outplacement services for up to 12 months.

Each of the Severance Agreements provides that the amount of all severance benefits described above, plus the amount of all benefits under any other plan or arrangement, the payment of which is deemed to be contingent upon a change in the ownership or effective control of the Corporation (as determined under Section 280G of the Code), may not exceed 2.99 times the participant's "annualized includable compensation for the base period" (*i.e.*, the average annual compensation that was includable in his or her gross income for the last five taxable years ending before the date on which the Change in Control occurs).

Each Severance Agreement has a one-year term, which automatically renews for additional one-year terms unless the Corporation provides the participant with six months' prior notice of its intention not to renew the Severance Agreement, except that the Severance Agreement will automatically terminate at the expiration of the Protection Period.

The table that follows shows the estimated present value of benefits that could have been paid to the named executive officers as of December 31, 2018 under the Severance Plan, the SERP and the Split Dollar Life Insurance Arrangements upon a separation from service. As discussed above, subject to certain conditions, participants in the SERP are entitled to receive their vested benefits (offset by Pension Plan benefits, 50% of social security benefits and, in the case of death, benefits paid under the Split Dollar Life Insurance arrangements described above) if they suffer a separation from service other than for cause. No SERP benefits are payable if a participant's separation from service was for cause. Except in the cases of a separation from service due to death or disability, the payment of SERP benefits does not commence until the later of normal retirement or attainment of age 60 for the SERP Plan.

Notes:

- (1) Amounts reflect the value of two years' continued coverage under the Corporation's benefit plans. Such amounts are calculated at current rates and current cost sharing formulas, as future costs are unknown.
- (2) The Defined Benefit SERP benefit payable to any named executive officer who terminates his or her employment without good reason is based on actual years of service rather than 24 years of credited service. Both Mrs. Rodeheaver and Mr. Rush have over 24 actual years of service. Mr. Fisher does not participate in the Defined Benefit SERP Plan.
- (3) The amount reported for Mr. Fisher is the portion of the Employer Contribution Credits that have accrued under the Defined Contribution SERP and become vested as of December 31, 2018.

Role of Compensation Consultants

The Compensation Committee has the authority and resources necessary to engage independent consultants to aid and provide direction with respect to executive compensation and benefits.

In 2016, the Compensation Committee directly engaged the compensation consulting firm Pearl Meyer & Partners ("PM&P") to conduct a review of executive and director compensation as compared to peers and market and provide advice and information to facilitate the Committee's deliberations, and in 2017 utilized this information for Committee actions and discussions regarding executive and director compensation. In 2018, the Committee continued periodic contact with PM&P for advice and guidance on specific situations and questions regarding executive compensation. PM&P was also purposed with: (i) confirming/validating the appropriateness of the Corporation's executive and director compensation as compared to the market and the Corporation's performance; (ii) providing a market-based framework for managing compensation and benefits prospectively; and (iii) providing feedback and guidance with respect to the Compensation Committee's discussions about potential pay/benefit decisions and/or changes to the current compensation structure. In this current survey project, PM&P provided the Compensation Committee with a compensation survey of peer banks in Maryland, Pennsylvania, Virginia and West Virginia with assets of between one-half to two times the assets of the Corporation. The Compensation Committee has concluded that PM&P's engagement did not raise any conflict of interest.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the last two fiscal years, the Bank has had banking transactions in the ordinary course of its business with certain Directors and officers of the Corporation and with their affiliates. These transactions were on substantially the same terms, including interest rates, collateral, and repayment terms on loans, as those prevailing at the same time for comparable transactions with person who are not related to the Bank.

In addition to the foregoing, Morgantown Printing & Binding, a corporation owned by Director H. Andrew Walls, III and a trust established for the benefit of his minor children, provides various printing services (marketing materials,

account statements, and other routine items), document storage and warehouse services, and related services to the Corporation. Total fees paid by the Corporation to this corporation in 2018 and 2017 were \$206,887 and \$193,037, respectively. The Corporation has again retained Morgantown Printing & Binding to provide these services in 2019, for which it expects to pay approximately \$250,000. Management believes that all of the foregoing transactions with this corporation are or will be on terms that are substantially similar to those that would be available if a person unrelated to the Corporation were to provide these services.

During 2017, the Bank hired a general contractor for the completion of renovation projects in the Bank's branch office locations. The general contractor is not affiliated with the Corporation, the Bank or any of their directors or executive officers. On its own initiative and without input from the Bank, the general contractor hired Rush Services as a subcontractor to provide electrical, HVAC and other services. Jason Rush, the Chief Operating Officer of the Corporation and the Bank, serves as the Secretary of, and is a 50% owner of Rush Services. Total fees paid by the Bank directly to Rush Services in 2018 and 2017 were \$99,364 and \$34,050, respectively. The general contractor paid Rush Services \$6,239 and \$352,385, in 2018 and 2017, respectively, for such services.

The Corporation and the Bank have adopted written policies and procedures to help ensure that the Corporation and the Bank comply with all legal requirements applicable to related party transactions. Among other policies and procedures, the Audit Committee of the Board of Directors must review and approve transactions with directors, executive officers and/or their respective related interests and submit such transactions to the full Board of Directors for approval. This review is intended to ensure compliance with Regulation O, which imposes requirements for extensions of credit to directors and executive officers, Sections 23A and 23B of the Federal Reserve Act, which governs transactions between the Bank and its affiliates, and Section 5-512 of the Financial Institutions Article of the Annotated Code of Maryland, which limits, and requires periodic review and approval of, extensions of credit to directors and executive officers.

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION (Proposal 2)

The Corporation is providing its shareholders with the opportunity, by casting a non-binding advisory vote, to approve or disapprove the compensation paid to its named executive officers for 2018, as discussed in this Proxy Statement pursuant to Item 402 of the SEC's Regulation S-K (commonly referred to as the "Say-on-Pay Vote"). This advisory vote is required by Section 14A of the Exchange Act, but the frequency of the vote is at the discretion of the Board of Directors. At the 2015 annual meeting of shareholders, the shareholders recommended that the Say-on-Pay Vote be held on an annual basis, and that frequency was adopted by the Board of Directors.

The Corporation's goal for its executive compensation program is to attract, motivate and retain a talented team of executives who will provide leadership for the Corporation's success in dynamic and competitive markets. The section of this Proxy Statement entitled "REMUNERATION OF EXECUTIVE OFFICERS" contains the information required by Item 402 of Regulation S-K with respect to the compensation paid to the named executive officers and discusses in detail the Corporation's executive compensation program and the compensation that was earned by, awarded to or paid to the Corporation's named executive officers for 2018.

At the 2019 Annual Meeting, shareholders will be asked to adopt the following non-binding advisory resolution:

RESOLVED, that the compensation paid to the named executive officers of First United Corporation, as disclosed in its definitive proxy statement for the 2018 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including in the section entitled "REMUNERATION OF EXECUTIVE OFFICERS", is hereby approved.

Because this advisory vote relates to, and may impact, the Corporation's executive compensation policies and practices, the Corporation's executive officers, including its named executive officers, have an interest in the outcome of this vote.

Although the Board of Directors believes that it is important to seek the views of shareholders on the design and effectiveness of the Corporation's executive compensation program, you should understand that your vote is advisory and, as a result, will not be binding upon the Board of Directors or its Compensation Committee, overrule any decision made by the Board of Directors or its Compensation Committee, or create or imply any additional fiduciary duty by the

Board of Directors or its Compensation Committee. The Board and/or the Compensation Committee may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors and its Compensation Committee believe that the Corporation's compensation policies and procedures are reasonable in comparison both to the Corporation's peer group and to the Corporation's performance during 2018.

The Board of Directors unanimously recommends that shareholders vote FOR adoption of the foregoing non-binding advisory resolution.

RATIFICATION OF APPOINTMENT OF BAKER TILLY VIRCHOW KRAUSE, LLP AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (Proposal 3)

At the 2019 Annual Meeting, shareholders will also be asked to ratify the Audit Committee's appointment of Baker Tilly to audit the books and accounts of the Corporation for the fiscal year ending December 31, 2019. Baker Tilly has served as the Corporation's independent registered public accounting firm since October 1, 2014. Baker Tilly has advised the Corporation that neither the accounting firm nor any of its members or associates has any direct financial interest in or any connection with the Corporation other than as independent public auditors. A representative of Baker Tilly is not expected to be present at the 2019 Annual Meeting of Shareholders.

The Board of Directors recommends that shareholders vote FOR the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Corporation's independent registered public accounting firm for 2019.

Because your vote is advisory, it will not be binding upon the Audit Committee, overrule any decision made by the Audit Committee, or create or imply any additional fiduciary duty by the Audit Committee. The Audit Committee may; however, take into account the outcome of the vote when considering future auditor appointments.

AUDIT FEES AND SERVICES

The following table shows the fees paid or accrued by the Corporation in 2018 and 2017 for the audit and other services provided by Baker Tilly for those years:

	FY 2018	FY 2017
Audit Fees	\$ 288,825	\$ 292,800
Audit Related Fees	3,875	0
Tax Fees	0	0
All Other Fees	0	0
Total	<u>\$ 292,700</u>	<u>\$ 292,800</u>

Audit Fees for 2018 and 2017 include fees associated with the annual audits, the reviews of the Corporation's quarterly reports on Form 10-Q, and the attestation of management's reports on internal control over financial reporting contained in the Annual Reports on Form 10-K for those years. Audit Related Fees for 2018 include fees associated with reviews of registration statements filed with the SEC by the Corporation.

It is the Audit Committee's policy to pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Corporation by its independent registered public accounting firm, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which, when needed, are approved by the Audit Committee prior to the completion of the independent registered public accounting firm's audit. All of the 2018 and 2017 services described above were pre-approved by the Audit Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act and the rules promulgated thereunder, the Corporation's executive officers and Directors, and persons who beneficially own more than 10% of the Corporation's Common Stock, are required to file certain reports regarding their ownership of Common Stock with the SEC. Based solely on a review of copies of such reports furnished to the Corporation, or written representations that no reports were required, the Corporation believes that

such persons timely filed all reports required to be filed by Section 16(a) during the year ended December 31, 2018 except for (i) Marisa A. Shockley who filed three late Form 4s (each relating to one purchase of stock), (ii) Tonya K. Sturm who filed one late Form 4 (relating to one sale of stock), and H. Andrew Walls, III who filed two late Form 4s (each relating to one purchase of stock).

SUBMISSION OF SHAREHOLDER PROPOSALS FOR 2020 ANNUAL MEETING

A shareholder who desires to present a proposal pursuant to Rule 14a-8 under the Exchange Act to be included in the proxy statement for, and voted on by the shareholders at, the 2020 Annual Meeting of Shareholders must submit such proposal in writing, including all supporting materials, to the Corporation at its principal office no later than November 26, 2019 (120 days before the date of mailing based on this year's proxy statement date) and meet all other requirements for inclusion in the proxy statement. Additionally, pursuant to Rule 14a-4(c)(1) under the Exchange Act, if a shareholder intends to present a proposal for business to be considered at the 2020 Annual Meeting of Shareholders but does not seek inclusion of the proposal in the Corporation's proxy statement for such meeting, then the Corporation must receive the proposal by February 9, 2020 (45 days before the date of mailing based on this year's proxy statement date) for it to be considered timely received. If notice of a shareholder proposal is not timely received, then the proxies will be authorized to exercise discretionary authority with respect to the proposal.

OTHER MATTERS

As of the date of this proxy statement, the Board is not aware of any matters, other than those stated above, that may properly be brought before the meeting. If other matters should properly come before the meeting or any adjournment thereof, persons named in the enclosed proxy or their substitutes will vote with respect to such matters in accordance with their best judgment.

By order of the Board of Directors

TONYA K. STURM
Secretary
